Benefit and Payment Chart

MS \$20/\$2000

About this chart

This benefit and payment chart:

- Is a summary of covered services and other benefits. It is not a complete description of your benefits. For coverage criteria, description and limitations of covered Services, and excluded Services, be sure to read *Chapter 1: Important Information*, *Chapter 3: Benefit Description*, and *Chapter 4: Services Not Covered*.
- Tells you if a covered service or supply is subject to limits or referrals.
- Gives you the page number where you can find the description of your services and other benefits.
- Tells you what your Cost Share is for covered services and supplies.

Note: Special limits may apply to services or other benefits listed in this benefit and payment chart. Please read the benefit description found on the page referenced by this chart.

You may only pay a single Cost Share for covered benefits you receive in the Total Care Service settings. If your care is not received in a Total Care setting, you pay the Cost Share for each medical service or item in accord with its relevant benefit section.

If a benefit in the Benefit and Payment Chart is not listed, or is listed as "Not covered", the descriptions related to that benefit in Chapters 1, 3, and 4 are not applicable.

Remember, services and other benefits are available only for care you receive when provided, prescribed, or directed by your KP Hawaii Care Team except for care for Emergency Services and out-of-state Urgent Care. To find a Medical Office near you visit our website at www.kp.org. For more information on these services see *Chapter 3: Benefit Description*. You are encouraged to choose a Personal Care Physician (PCP). You may choose any PCP that is available to accept you. Parents may choose a pediatrician as the PCP for their child.

You do not need a referral or prior authorization to obstetrical or gynecological care from a health care professional who specializes in obstetrics or gynecology. Your Physician, however, may have to get prior authorization for certain Services. Additionally, in accord with state law, you do not need a referral or prior authorization to obtain access to physical therapy from a physical therapist or Physician who specialized in physical therapy.

Members age 65 and over (excluding Tax Equity and Fiscal Responsibility Act of 1982 "TEFRA" members) must meet the required eligibility requirements to receive the benefit of either 1) those listed in this *Benefit Summary*, or 2) benefits covered under Original Medicare. See *Chapter 9: Coordination of Benefits*. Senior Advantage Members, please refer to your Senior Advantage Evidence of Coverage.
